Invitation – consultation workshop on the TENP supply security scenario

Dear Sir or Madam,

On behalf of Germany's gas transmission system operators this is to invite you to a workshop in Frankfurt to mark the publication of the TENP supply security scenario.

The workshop will be held from 10:30 am to 12:30 pm on 10 July 2018.

Venue: Airport Conference Center at Frankfurt Airport Center 1, Airport Frankfurt/Main.

Conference language is German.

The German gas transmission system operators intend to publish the consultation document for the TENP supply security scenario on 02 July 2018. For complete information go to www.fnb-gas.de.

The workshop aims at continuing the dialogue with all market participants. Germany's gas transmission system operators would like to give you the opportunity to bring in your questions and suggestions.

Participation is free of charge.

Please make a **binding registration no later than 03 July 2018** by email (info@fnb-gas.de), and feel free to forward this invitation to other interested parties. We are looking forward to your participation and to having a constructive exchange.

Kind Regards

Inga Posch
Managing Director
Vereinigung der Fernleitungsnetzbetreiber e.V.

Vereinigung der Fernleitungsnetzbetreiber Gas e. V. (FNB Gas) is the association of German transmission system operators, i.e. the operators of the major supra-regional and cross-border gas pipelines. The Association was established at the end of 2012 and has operated an office in Berlin since April 2013. One main focus of the Association's activities is the Network Development Plan Gas, which has been drawn up annually by the transmission system operators since 2012. Furthermore, the Association represents its members as a point of contact for politicians, media and the public.
